Now available: The Visual Schedule Kit!

Created for the Time Timer Medium and Large, the Visual Schedule Kit is a great way to show a "wordless and numberless" schedule which will be easy for anyone to follow. The plain white face allows the user to customize the Time Timer with stickers, washable markers, colours, etc. Perfect for specialized therapies, personal schedules, student interaction, young children's visual perception and more.

The Visual Schedule Kit helps individuals to follow a routine without having to remember it and to independently manage their own (daily) activities.
