Dear <<First Name>>,

Now available

Little Storm Conversation Games

The wooden box contains 24 wooden playing boards and 96 wooden playing cards, and focuses on 4 different conversations themes:

- Things to do at home
- All kinds of weather
- Out in the world
- Says hello and goodbye

Ref.nr. 10008

The **LittleStorm** games provide children the opportunity to verbalize the boards and cards, all of which either deal with situations the child is familiar with or depict situations that prepare children for things, events or circumstances they may find difficult to comprehend.

LittleStorm games make abstract things in the child's life specific and

easier to understand.

Age 2,5 - 6 years

The games build on the children's own experiences. Emotions, sensory impressions, actions and physical reactions reflect how we think, see and understand ourselves and the world we live in. It is important for a child's well-being that he/she is encouraged to talk about their experiences and surroundings.
