

A Timer For Any Duration

Originally launched as a 60 minute duration, the **Time Timer PLUS** has expanded to include 5 minute, 20 minute and 120 minute durations - so there's a timer suited for any activity!

The **Time Timer PLUS** is a durable, portable visual Timer that includes a protective clear lens cover, a volume control dial to adjust the loudness of the optional audible alert, an on-the-go carry handle and the iconic disk that Time Timer users know and love.

**Our office and warehouse will be closed from
