Dear Madam/Sir <<Last Name>>,

**! NEW AND AVAILABLE !**

Over 25 years ago, Jan Rogers invented the original **Time Timer Medium**. Through the years, it has become a classroom favourite and has proven to help everyone measure and manage their time, regardless of age and ability.

With **the new Learning Center Classroom Set**, this teacher-favourite will be available in a multi-pack set of three. **Each set comes with three timers of different colours** to aid in colour curriculum during the early years and for time management in colour-coded classrooms.

**Time Timer®  
Primary Colour Collection**

**Time Timer®  
Secondary Colour Collection**
