ROBO educational toys

Dear {{title, }} {{voornaam, reader}},

As we enter the final quarter of 2026, we would like to take this opportunity to share our latest news, product updates, and important information for the remaining months of the year.

It has been an exciting and busy year, and we are pleased to keep you informed about the latest developments at Robo Educational Toys.

With the end of the year approaching, we look forward to a successful final quarter together and would like to thank you for your continued trust and valued partnership.

Product Update: Time Timer® Watch - Arctic White

Time Timer® is simplifying its watch range by moving from two models small and large to a single watch model: the **Time Timer® Watch in Arctic White (JAC5600)**.

The **Large Green Watch (JAC5601)** will continue to be available while stocks last.

This change will simplify the product range while maintaining the familiar Time Timer® experience that customers know and trust.

MAKE TIME EASIER WHERE IT MATTERS MOST

Save Time. Save Energy. Make every minute count!

The **Time Timer® Element** makes time visible at a glance, helping you stay on track and move through everyday routines without constantly checking the clock and it saves energy while managing time!

Use it for:

- Getting ready in the morning
- Keep track of time in the shower or while brushing your teeth
- Staying on track with homework and everyday tasks
- Making transitions between activities easier
- Create a more relaxed bedtime routine
- Set clear start and finish points for any activity

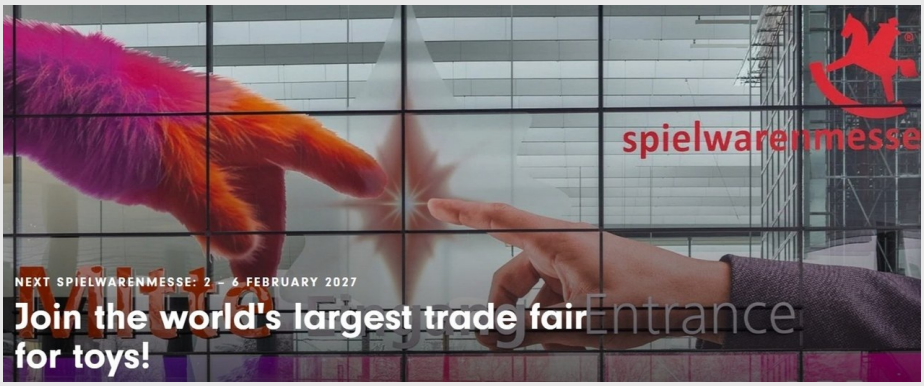

With its water-resistant design, the Time Timer® Element is made for real-life routines, wherever they happen.

Prepare for the season ahead

Now is the time to prepare for holiday purchasing, year-end spending and early 2027 planning.

- Stock up on the new Time Timer Original Line in White including the Next Step Dry Erase Cards.
- Refresh product listings and images.
- Let us know if you have promotions, you are currently planning
- Review your inventory needs and year-end forecasts.

Meet us at Spielwarenmesse 2027

We will be exhibiting at **Spielwarenmesse 2027**, taking place from **2–6 February 2027**, where we will present our latest products and innovations. You will find us in **Hall 3A, Stand D-09**.

If you or your team are planning to attend, please let us know. We always appreciate the opportunity to meet our partners, exchange ideas and hear about developments in your market.

We look forward to seeing you in Nuremberg!

Meet us at Spielwarenmesse

Christmas Holidays: Office and Warehouse Closure

Our office and warehouse will be closed for the Christmas holidays from **23 December 2026 until 3 January 2027**. We will reopen on **Monday, 4 January 2027**.

To ensure your orders can be processed before the holiday closure, please submit them as early as possible and no later than **18 December 2026**.

We appreciate your understanding and encourage you to plan your orders in advance.

If you have any questions or would like to receive our catalogue, please don't hesitate to get in touch. We're happy to help.

With kind regards,
Team Robo Educational Toys
